Dear Ticanaf,

After all, I keep on meeting
you in my path, I feel very
much honored by it. Life brings
us moments which we can never
forget.

I've been learning and accepting
that love is all there is...

What must happen, will happen.

So, let me tell you again how
grateful I am to share with you
certain aspects of life.

I now believe the certainty of your
words. God bless you. Sincerely,
